This is why Ultima 5 is the most important game of the series.

In U5, we learn how virtues can be corrupted into weapons of violence and oppression.

The Jan 6 participants believed they were being virtuous and patriotic. But their leader was corrupt, and the virtues twisted.

I remember writing fan letters to you at the time. U5 was a big deal and a compelling story

You wrote back to me and encouraged me to learn assembly. Got me my first job. I use this in teaching as an example of a small kindness that set people off on good career trajectories.
